

## Crazy Not To

The Oak Ridge Boys

Girl you know how to set those gears in motion  
Where'd you come up with such a crazy notion?  
Just up and leave like we ain't got a care  
No way of knowing where we're going till we get there.

I'd be crazy to let three dances  
And one little kiss destroy my chances  
Of getting that foreman's job, that's been long overdue.  
Crazy at the drop of a hat, girl I just met, leave like that  
End up who knows where, just me and you  
I'd be crazy, crazy, crazy not to.

Those big blue eyes, just keep right on daring me  
Things you got me thinkin' girl, you're scarin' me  
Hey that sounds cool, don't even take a map  
What in the world am I saying, scratch that.

I'd be crazy to let three dances  
And one little kiss destroy my chances  
Of getting that foreman's job, that's been long overdue.  
Crazy at the drop of a hat, girl I just met, leave like that  
End up who knows where, just me and you  
I'd be crazy, crazy, crazy not to.

What about who's gonna cut the grass  
Get the mail, take out the trash,  
Walk the dog, feed the fish.  
The more I think about that.

I'd be crazy to let three dances  
And one little kiss destroy my chances  
Of getting that foreman's job, that's been long overdue.  
Crazy at the drop of a hat, girl I just met, leave like that  
End up who knows where, just me and you  
I'd be crazy, crazy, crazy not to.

I'd be crazy, crazy, crazy not to.  
I'd be crazy, crazy not to.  
Crazy not to, crazy not to.
