

God's Gonna Ease My Troublin' Mind

The Oak Ridge Boys

Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
God's gonna ease my troublin' mind.

Mary and Martha, Peter and John
Mary and Martha, Peter and John
Mary and Martha, Peter and John
They had trouble all night long.

Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
God's gonna ease my troublin' mind.

Down by the graveyard's stood and tall
Down by the graveyard's stood and tall
Down by the graveyard's stood and tall
There laid the long rail as well as the short.

Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
God's gonna ease my troublin' mind.

If you get there before I do
If you get there before I do
If you get there before I do
You can tell my friends I'm a comin' too.

Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
Troublin' mind, troublin' mind,
Troublin' mind, troublin' mind
God's gonna ease my troublin' mind.
