

# I Guess It Never Hurts To Hurt Sometimes

The Oak Ridge Boys

Sometimes I feel the wave  
Of a past break in my mind  
And I know it's gone for good  
And it makes me want to cry.  
Is this all we get to keep  
As the years go rolling by?  
Just a memory  
For all the days gone by.

Oh you're always in my heart  
And you're often on my mind.  
I will never let it die  
Just as long as I'm alive.  
Sometimes it makes me sad  
That we never said goodbye.  
Well I guess it never hurts  
To hurt sometimes.

You try and hold on to the moment  
But time won't let you stay  
But for every step you take  
You lose something on the way.  
You can't look forward to tomorrow  
And still hold on to yesterday.  
Oh I hope that you can hear me  
When I'm saying.

Oh you're always in my heart  
And you're often on my mind.  
I will never let it die  
Just as long as I'm alive.  
Sometimes it makes me sad  
That we never said goodbye.  
Well I guess it never hurts  
To hurt sometimes.

Oh you're always in my heart (always in my heart)  
And you're often on my mind (often on my mind).  
I will never let it die  
Just as long as I'm alive.  
Sometimes it makes me sad  
That we never said goodbye.  
Well I guess it never hurts  
To hurt sometimes.  
No I guess it never hurts  
To hurt sometimes.
