I Guess It Never Hurts To Hurt Sometimes

The Oak Ridge Boys

Sometimes I feel the wave Of a past break in my mind And I know it's gone for good And it makes me want to cry. Is this all we get to keep As the years go rolling by? Just a memory For all the days gone by.

Oh you're always in my heart And you're often on my mind. I will never let it die Just as long as I'm alive. Sometimes it makes me sad That we never said goodbye. Well I guess it never hurts To hurt sometimes.

You try and hold on to the moment But time won't let you stay But for every step you take You lose something on the way. You can't look forward to tomorrow And still hold on to yesterday. Oh I hope that you can hear me When I'm saying.

Oh you're always in my heart And you're often on my mind. I will never let it die Just as long as I'm alive. Sometimes it makes me sad That we never said goodbye. Well I guess it never hurts To hurt sometimes.

Oh you're always in my heart (always in my heart) And you're often on my mind (often on my mind). I will never let it die Just as long as I'm alive. Sometimes it makes me sad That we never said goodbye. Well I guess it never hurts To hurt sometimes. No I guess it never hurts To hurt sometimes.
