

# Love Song

The Oak Ridge Boys

Tell you why I called on you  
This is what we're gonna do.  
Take this lovely gift of love  
Sent to us from Heaven above.

I said baby, I think that we can help each other to see, oh yeah  
We've made this life that we're living  
seem more like it's supposed to be.

Well every man should have a good woman,  
Every woman should have a good man  
Won't you stand along beside me  
Let me do the best I can,  
Take each other's heart in hand.

I want to sing just a little love song  
I want to sing to you for a little while  
Back up and toe the line for you  
I want to be your all in all.

I want to sing just a little love song  
I want to sing to you for a little while  
Back up and toe the line for you  
I want to be your all in all.

Bless you baby, I love you so  
Love from whom all blessings flow  
Me to you and you to me  
This is how it's gonna be.

I said baby we're gonna know the joy  
The years can bring oh yes we will  
And every time I think about it  
I just want to lift my heart and sing, one more time.

Oh every man should have a good woman,  
Every woman should have a good man  
Won't you stand along beside me  
Let me do the best I can,  
Take each other's heart in hand.

I want to sing just a little love song  
I want to sing to you for a little while  
Back up and toe the line for you  
I want to be your all in all.

I want to sing just a little love song  
I want to sing to you for a little while  
Back up and toe the line for you  
I want to be your all in all.

I want to sing just a little love song  
I want to sing to you for a little while  
Back up and toe the line for you  
I want to be your all in all.

I want to sing just a little love song

I want to sing to you for a little while  
Back up and toe the line for you  
I want to be your all in all.  
In all, in all, in all.
