

Ask Me Jon

The Ocean Blue

Ask me, ask me Jon
Ask me, ask me Jon
How I got here
How I got up here Jon
How I got here
I'm in the bright light now
I'm in the bright light now
Ask me, ask me Jon
Ask me, ask me Jon
How I got here
How I got up here Jon
How I got here
I you don't come my way
Then you don't come my way
I'm in the bright light now
I'm in the bright light now
Ask me, ask me Jon
Ask me, ask me Jon
How I got here
How I got up here Jon
How I got here
If you don't come my way
Then you don't come my way
