

Between Something & Nothing

The Ocean Blue

Words that form a sentence
Words that form a phrase
In a poem or a letter
Could not convey the meaning
Of what this man has done
In a painting on a canvas

And as the colors fading
They dictate my mood
Can you see me?
Are you near me?
I find myself on canvas
I find myself on stage
Can you see me?
Are you near me?

And I long to know you're real
And I long for you to be a part of me
I long to know you're real
And I long for you to be a part of me

And in the fading twilight
I sit & stare at her
In all her beauty
Her beauty
You know I have to wonder
Why all great men must die
And leave their treasure
They leave their treasure
