

Garden Song

The Ocean Blue

Do you see, Do you know?
Do you watch the way the garden grows?
Can you breathe through your nose?
Can you swim against the undertow?

Do you see in the sky?
Do you ever stop to wonder why?
Can you sing to yourself
with an audience of no one else?

That it's over now, what's done is done
don't look at ME if you're not number

Can you move, Can you will?
Can you know a thing that won't sit still?
Can you dance to a tune
That has no point and is stopping soon?
