

There Is A Light That Never Goes Out

The Ocean Blue

Take me out tonight
Where there's music and there's people
Who are young and alive
Driving in your car
I never never want to go home
Because I haven't got one
Anymore
Take me out tonight
Because I want to see people
And I want to see lights
Driving in your car
Oh please don't drop me home
Because it's not my home, it's their home,
And I'm welcome no more
And if a double-decker bus
Crashes into us
To die by your side
Is such a heavenly way to die
And if a ten ton truck
Kills the both of us
To die by your side
The pleasure and the privilege is mine
Take me out tonight
Oh take me anywhere, I don't care
And in the dark underpass
I thought Oh God, my chance has come at last
(But then a strange fear gripped me
And I just couldn't ask)
Take me out tonight
Take me anywhere, I don't care
Just driving in your car
I never never want to go home
because I haven't got one
I haven't got one.
