

## Castle Built on Sand

### The Only Ones

No-one seems to know the truth  
How he disappeared from view  
He's overcome with guilt  
Hiding in a castle built

on sand (oo oooo oo oo)  
Built on sand (oo oooo oo oo)

Standing at the Traitor's Gate  
Masked men on horses wait  
For their chance to infiltrate  
And take the castle built...

on sand (oo oooo oo oo)  
Built on sand (oo oooo oo oo)

See the jackals fightin' for the caucus  
On a constant search for green and pastures

No-one seems to know the truth  
How he disappeared from view  
He's overcome with guilt  
Hiding in a castle built

on sand (oo oooo oo oo)  
Built on sand (oo oooo oo oo)
