

I see little people drowning
In the sea of life
If you ever come through my town
I got a place for you to lie down
I say
Hey hey what you see
What you're doing to me

Hey hey can't you see
What you're doing to me

I see poor people dying
In the sea of love, love!
If you ever come through my town
I got a place for you to lie down
Lie down

Hey hey can't you see
What you're doing to me
Hey hey can't you see
What you're doing to me

You've been living in the city of fun
You know there's only one way out

It's up to you
No, it's up to you

I've got a lot of people living here
They're all friends of mine
They try to steal my voice and my food and my money and my drugs
Then they struggle

Hey hey can't you see
What you're doing to me
Hey hey can't you see
What you're doing to me
Hey hey can't you see
What you're doing to me
Hey hey can't you see
What you're doing to me
