Devon Song

The Only Ones

After the end will we still be together?
We're still friends but it won't be forever
We always had one aim but I wrote so many times
Of the games we played involving hideous crimes

At the end will we still be together?
We're still friends but it won't be forever
We always had one aim but I wrote so many times
Of the games we played involving hideous crimes

Against the soul
Things were gettin' outta control
And now I'm left out in the cold

At the end will we still be together?
We're still friends but it won't be forever
We always had one aim but I wrote so many times
Of the games we played involving hideous crimes

Against the soul
Things were gettin' outta control
And now I'm left out in the cold
