

Fools

The Only Ones

Peter:
Fools, never learn
You play with fire
And you gonna get burned

Pauline:
You, and I are fools
We play with love
So we gonna get burned.

Both:
Fools that's what we are
Fools we've gone too far, I know

Peter:
But then love, you come to me
Your eyes on fire, you're tempting me.

Both:
Love, knows no bound
Beggar or king, it'll bring you down

Fools find love somehow
Fools we can't stop now, I know.

Peter:
But then love, this I know
Fool I may be
I can't let go

Both:
Love, this I know
Fool I may be
I can't let go

Fools, fools
Fools, fools
