

## Peter and the Pets

### The Only Ones

It's becoming very clear  
What you're doing here  
It's becoming very clear  
Just what you're doing here  
You gotta move on  
You better move on

Rubies and pearls  
The treasure of the nights  
Staying in an open room  
Watching figures of ice

Rubies and pearls  
Treasure of the nights  
Staying in an room  
Watching figures of ice  
You can have them all  
You can have them all  
Tell me all about it

It's becoming very clear  
That you shouldn't be here  
You cracked up  
Your brain collapsed  
It passed the time  
And it filled the gaps  
You couldn't take it  
You couldn't take it  
Don't cry!
