I Am Not Suprised

Am not surprised I got my head caught underneath the ice No, I am not surprised That i got my big head Caught underneath the ice And on it goes...

Someway , somehow I'm going out now It's all about myself And i'm on to someone else

Well, i know that you are near But i feel alone even when you're here I know that you are near But i feel alone even when you're here And on it goes The Organ
