

Ancient Egypt

The Orwells

Hey Annie
I heard you're crazy about me
Let's stay in tonight lay in the moonlight
We can split a smoke and drink till 3

Midnight and the town just died
All of the people find a place to hide
Midnight the city's so alive
12-O-O and the town just died
12-O-O dry your parents eyes
12-O-O and the people hide
12-O-O and the children die
The city the city it comes alive

I know a place where we can hide

Well wait a minute Annie
I heard you're crazy about me
Let's go out tonight lay in the streetlights
You don't want nothing to do with me

Go ahead
Forget about me

Midnight and the town just died
All of the people find a place to hide
Midnight the city's so alive
12-O-O and the town just died
12-O-O dry your parents eyes
12-O-O and the people cry
12-O-O and the children die
My baby my baby where she gonna hide
Hide

Where she gonna hide

Wait a minute Annie
Why you so crazy about me
Let's go out tonight lay in the moonlight
We can split a smoke and drink till 3
Go ahead
Forget about me

Midnight and the town just died
All of the people find a place to hide
Midnight the city's so alive
12-O-O and the town just died
12-O-O dry your parents eyes
12-O-O and the children hide
12-O-O and the children die
My baby my baby where she gonna hide

I know a place where we can hide

My town just died
Midnight
The city's so alive

Midnight and I don't mind
My town just died
And I don't mind

My town just died
Midnight the city's so alive midnight and I don't mind

My town just died
