## **Halloween All Year**

**The Orwells** 

You're young They don't listen, but I believe Get a knife from the kitchen and follow me Is it fake? Is it real? But, I can't see Take a drink from the vial, and lie with me I believe They're looking for me There's a body on the ceiling looking for me Get a knife from the kitchen and follow me But, I can't see But, I can't see Follow me Now You're young They don't listen, but I believe Get a knife from the kitchen and lie with me Lie with me But, I can't see Is it fake? Is it real? But, I can't see I believe
