La La La La La La La (3x)

Yeah there's a chick I saw
Little Baby at the mall
Walkin' 'round with them all
Lookin for push up bras
Yeah there's a chick I saw
Everything she sees she get it all, all, all, all, all
Yeah there's a chick I saw
Everything she get it all
She's like a crystal a ball
We gonna show'em all
We gonna show'em all
We gonna show'em all
All all all all all

La La La La La La
La La La La La La
La La La La La La La (3x)

Yeah there's a chick I saw
Everything she get it all
She's like a crystal ball
We gonna show'em all
Hangin' at the food court
Little girl in short shorts
I was gonna take it
But she's pullin' off my tee shirt
