

Suspended

The Orwells

Speak my mind
They got offended
Slap their ass
We got suspended
Big bright eyes
In black outline
Left me feeling
High and dry

Now that he's gone
It's better for you
We're never wrong
It's better for you
Don't take too long
It's better for you
Wait until dawn
It's better for you

Looking for you
Running for you
Coming for you
Hiding from you
Leave me running
The kids are coming
They're looking for you
They're waiting for you

Now that he's gone
It's better for you
We're never wrong
It's better for you
Don't take too long
It's better for you
Wait until dawn
It's better for you

It's better for you
It's better for you

I'm getting laid
It's better for you
They're looking for you
They're waiting for you
