

Double Lovin'

The Osmonds

It took me a long time
to find a good woman,
one that would be true.
And that's why I'm gonna
double what it takes, baby,
to hold on to you.
I'm gonna make my love
twice as good as it was before,
I'm gonna love you so good, baby,
you'll be beggin' and cryin' for more.

Double, double lovin'
is what I'm gonna give to you,
oh, and you're gonna get a double pleasure every time I do.
Double, double lovin'
makes you feel so good inside,
oh and when I double up on my lovin'
you're gonna be satisfied.

I'm gonna double up on my huggin'
and my kisses, too.
And I've got a double stroke of love
I've been dyin' to use on you.
So don't be afraid to
give me your love,
'cause I won't hurt you.
You make the first step, baby,
the rest I can easily do.

Double, double lovin'
is what I'm gonna give to you,
oh, and you're gonna get a double pleasure every time I do.
Double, double lovin' will make you feel so good inside,
and when I double up on my lovin'
you're gonna be satisfied.

I'm gonna double your lovin',
double your fun,
you get two for the price of one.
Double your lovin',
double your fun,
you get two for the price of one.

Double, double lovin'
is what I'm gonna give to you,
oh, and you're gonna get a double pleasure every time I do.

Double, double lovin' will make you feel so good inside,
and when I double up on my lovin'
you're gonna be satisfied.

Double, double lovin'
