

# One Bad Apple

The Osmonds

I can tell you've been hurt  
by that look on your face, girl.  
Some guy brought a  
sad end to your happy world.  
You need love, but you're  
afraid that if you give in,  
someone else will come along  
and sock it to ya again.

One bad apple don't  
spoil the whole bunch, girl.  
Oh, give it one more  
try before you give up on love.  
One bad apple don't  
spoil the whole bunch girl.  
Oh, I don't care what they say,  
I don't care what you heard.

I could make you happy,  
baby, satisfy you, too.  
But how can I if you  
won't give me a chance  
to prove my love to you?  
Won't you just give me  
one little chance?  
I'll give you a love guarantee  
that you won't be hurt again.

One bad apple don't spoil  
the whole bunch, girl.  
Oh, give it one more try  
before you give up on love.  
One bad apple don't spoil  
the whole bunch, girl.  
Oh, I don't care what they say,  
I don't care what you heard now.

I've been noticing you, baby,  
for a long, long time.  
And I'm not ashamed to  
tell the world that you  
really messed up my mind.  
Girl, to me you're  
like a dream come true.  
I'd rather hurt myself  
than to ever hurt you.

One bad apple don't spoil  
the whole bunch, girl.  
Oh, give it one more try  
before you give up on love, girl.  
One bad apple don't spoil  
the whole bunch, girl.  
Oh, I don't care what they say,  
I don't care what you heard now.  
One bad apple don't spoil  
the whole bunch, girl.
