

## Going Back

The Outfield

I'm just a fool - no disguise  
I still get hurt - same old pride  
But growing older - I've realized  
There's not a place - in my life - tonight

I ain't gonna leave this town no more  
I'm sorry for the times that I did before  
I'm going back to where my heart came from  
I ain't gonna leave this town again  
I'm sorry for the things I did but then  
I didn't realize where I belonged

Shakin' the blues - every night  
Been all alone - no surprise  
Don't you forget me - I'm so blind  
I'm coming back - one more time - tonight

If these streets were empty  
With nothing to see  
You could take me from this town  
Oh but you won't take this town out of me

Too many years - can't forget  
So many dreams - ain't done yet  
An' all of these memories - still the same  
I'm going home - and I'll remain - unchanged
