

## It's a Crime

## The Outfield

For once in my life  
Well I wished that I  
Could just say what's on my mind  
But I'm afraid  
In case the words don't come out right  
And if I should try  
Do you think that you would understand me?  
Oh oh oh maybe it's a crime what I'm thinking  
Don't you wanna know why  
Baby it's a crime what I'm thinking  
Well I've tried so hard  
And I wished that I could just get the moment right  
But everytime there's always someone in this room  
And so tonight  
If I get the chance I'll share my secret  
Oh oh oh maybe it's a crime what I'm thinking  
Don't you wanna know why  
Baby it's a crime what I'm thinking  
Oh I'm just like  
Any other man I just want the best out of life  
But in the end I know I'll take what I can get  
If I should try  
Do you think that you would stand beside me?  
Oh oh oh maybe it's a crime what I'm thinking  
Don't you wanna know why  
Baby it's a crime what I'm thinking  
Oh, won't you stand by my side  
Just a little bit longer  
Just a little bit longer  
Oh for just once in your life  
Stand by me stand me  
Just a little bit longer just a little longer  
Just a little bit longer just a little bit  
Come on baby come on baby
