

# My Girlfriend's Girlfriend

The Outfield

She was my girlfriend's girlfriend  
(Yeah)  
I woke up in someone's bed  
I couldn't remember what happened last night  
I heard a voice then someone said  
Roll over, baby, don't be wasting my time  
La, la, la, la, la, la, la, la  
I prayed for someone I'd recognize  
La, la, la, la, la, la, la, la  
I didn't know that I was in for one great big surprise  
She was my girlfriend's girlfriend, yeah  
She was my girlfriend's girl  
I turned around unsure  
She looked so good  
You could have picked me off the floor  
This is cool, this is it  
I feel so bad I can't remember what we did  
La, la, la, la, la, la, la, la  
She said, 'boy you'd better open your eyes?  
La, la, la, la, la, la, la, la  
In walked my girlfriend, she jumped on the other side  
She was my girlfriend's girlfriend, yeah  
She was my girlfriend's girl  
La, la, la, la, la, la, la, la  
She said, 'boy you'd better open your eyes  
La, la, la, la, la, la, la, la  
In walked my girlfriend, she jumped on the other side  
She was my girlfriend's girlfriend, yeah  
She was my girlfriend's girl  
She was my girlfriend's girlfriend, yeah  
She was my girlfriend's girl  
She was my girlfriend's girlfriend, yeah  
She was my girlfriend's girl
