

Song For You

The Outlaws

I've been seein'
All the things you believed in
Drawin' tears from your eyes
I just can't see
What'd make you this way
It's not me I keep prayin'

I, I can't say anymore

Yes I been sayin'
All along I been playin'
But you can't hear my song
I don't hear no lies
There's just love in your eyes
Or am I seein' this wrong

I, I can't say anymore
I, I can't say anymore

I, I can't say anymore
I, I can't say anymore
I, I can't say anymore (anymore)
I, I can't say
