

## Under Your Spell Again - Jessi Colter

The Outlaws

I swore the last time that you let me down that  
I wouldn't see you if you came around  
I can't tell my heart what's right or wrong  
And I've been so lonely since you've been gone  
You've got me under your spell again saying those things again  
Making me believe that you're just mine  
Dreaming those dreams again scheming those schemes again  
I've gotta take you back just one more time

Everybody tells me that I'm a fool that  
I never should have put my faith in you  
Way down deep inside I guess I know it's true  
No one else can make me feel the way you do  
You've got me under your spell again...  
I've gotta take you back just one more time  
I've gotta take you back just one more time  
I've gotta take you back just one more time
