Under Your Spell Again - Jessi Colter

The Outlaws

I swore the last time that you let me down that I wouldn't see you if you came around I can't tell my heart what's right or wrong And I've been so lonely since you've been gone You've got me under your spell again saying those things again Making me believe that you're just mine Dreaming those dreams again scheming those schemes again I've gotta take you back just one more time

Everybody tells me that I'm a fool that I never should have put my faith in you Way down deep inside I guess I know it's true No one else can make me feel the way you do You've got me under your spell again... I've gotta take you back just one more time I've gotta take you back just one more time I've gotta take you back just one more time
