

## Bar Hoppin'

### The Ozark Mountain Daredevils

I'm goin' out bar hoppin'  
Yeah be-boppin'  
There won't be no stoppin' me tonight  
I'm goin' mini-skirtin'  
I might go wet-t-shirtin'  
Won't be no final curtain  
'Til the broad of daylight

You can call me a hard hat, wild cat  
I don't know, I may be like that  
A redneck, a bad check  
But I don't care what you expect  
'cause I work hard everyday  
And I'm gonna spend every dollar I make  
And when the sun goes down, I'll be gone

I'm goin' out bar hoppin'  
Yeah be-boppin'  
There won't be no stoppin' me tonight  
I'm goin' mini-skirtin'  
I might go wet-t-shirtin'  
Won't be no final curtain  
'Til the broad of daylight  
(Whooo, I love ya man)

I run that ol' drag line, rain or shine  
All day long I hear the diesel whine  
There's so much smoke, it makes me choke  
It ain't fun, that's no joke  
Whistle blows, I punch that clock  
The good Lord knows, it's time to rock  
And when the sun goes down, I'll be gone

And I'm goin' out bar hoppin'  
Yeah be-boppin'  
There won't be no stoppin' me tonight  
I'm goin' mini-skirtin'  
Might go wet-t-shirtin'  
Won't be no final curtain  
'Til the broad daylight

C'mon lets go bar hoppin'  
Yeah be-boppin'  
There won't be no stopping us tonight  
Hey let's go bar hoppin'  
'Til the broad of daylight
