

Chicken Train

The Ozark Mountain Daredevils

Chicken train
Runnin' all day
Chicken train
Runnin' all day
Chicken train
Runnin' all day
I can't get on
I can't get off
Chicken train take your chickens away

Laser beam
In my dream
Laser beam
In my dream
Laser beam
In my dream
I can't get on
I can't get off
Laser beam's like a sawed off dream

Chicken train
Runnin' all day
Chicken train
Runnin' all day
Chicken train
Runnin' all day
I can't get on
I can't get off
Chicken train take your chickens away, whew!
