

## Backseat

The Pack

Imma bust her in my new car  
Uh in da backseat  
In da backseat  
In da backseat  
Imma bust her in my new car  
Uh in da backseat  
In da backseat  
In da backseat

Cummon baby hop inside stunna got a new ride  
Candy on da outside leather on da inside  
We aint gotta get a room yeah them seats brand new  
Baby can you ride a stick I gotta hemi in my shit

In da backseat lets make it happen  
Freak me nasty dont use magnums only gold wrappas  
Lets switch gears hold on slow let a real nigga hit  
No seatbelts all tickets she ride fast so all hands no hips  
Love a hair puller skin on leather master strapper scream like  
thunder

Im in da back she in da front  
A little bra she know whats up  
I hean and I lean an she steamy and she lean back  
Go down eat that choke her now she freeze that  
I beat it up when she came my little balls steamin

She know who I are I'm feenin to bust those in the car  
She got my dick on hard boppa neck go through your jaw  
But she suck a mean one to the back in the seat huh  
Magic get a hand gun  
Pop pop bam bam
