

The Milky Way

The Pack

Take her to a place she aint gotta know me, see I love b coke, everyb
ody o.d., bangcadlang yeah I'm off on the free,
watchin booty bounce bop in the club wanna see?try me imma street thu
gg, lil b get money everyday, so much, four blunts,
make the bay go nuts, and I'm yellin out boss everytime I roll up.
shoot for the stars and the way look milky, and the colipark beat bou
nce like a slinky,
spit crack, cool with a whip, girl get loose when you in the spaceshi
p,
uh said she like my rap pattern and, she want a ring like the one aro
und saturn and,
no wheels no air where we travelin, when we in the backseat please no
chatterin

she aint never been to space before,
She aint never been to space before,
She aint never been to space before,
Ill take her, ill take her
You'll be ridin down the milky way,
You'll be ridin down the milky way,
You'll be ridin down the milky way,
You'll be ridin down the milky way

Spaceship, spaceship, hell yea hoppin
Stunnaman, stunnaman, yea I get it poppin
You ever been to space? imma take you there,
Don't worry bout your phone it aint workin up here,
And I'm like pluto, yea I spit cool bars,
I go hard on mars, neck grindin on stars,
Wanna come to my world? baby pop this pill,
And she like how that feel

A cute lil chick but her whip too basic, I'm a star girl I ride space
ships,
All you need is a fly young man,
No wings, no plane, we can go anywhere,
Your complexion it tastes like chocolate, and the newgit it taste lik
e rocket,
She roll wit freak mcnasty, I make her nasty,
And she told me

You ever been to Mercury?
Ill take ya there,
You ever been to Venus?
Ill take you there
You ever been to mars?
Imma take ya
You ever been to Jupiter?
Ill take ya
You ever been to Saturn?
Ill take ya
You ever been to Neptune?

Imma take ya
You ever been to Pluto?
Ill take ya
Lets go to uranus haha
