

You're free  
A lover sinking in the sea  
And we  
Will let the water fill our lungs  
And sleep

Love, we go down, we go down  
Breathe, it's over now, over now  
We can love, we can love  
We can love, we can love  
And the birds will sing our song in Halcyon

You're free  
A love is coming home to me  
The sea  
Will pull our bodies down into the deep

Love, we go down, we go down  
Breathe, it's over now, over now  
We can love, we can love  
We can love, we can love  
And the birds will sing out song in Halcyon  
And the birds will sing out song

The birds will all sing out  
The birds will all sing out  
The birds will sing out song  
The birds will all sing out

We can love, we can love  
We can love, we can love  
And the birds will sing out song in Halcyon
