

Dead Wrong

The Parlor Mob

The time has come for you to look around
Remember every moment that you found
The best way to say yes is to say no
When all you got to do, you got to do, you got to say it so
But when it's wrong, it's wrong, dead wrong

It's easy just too easy to deny
And never be the one to compromise
When everyone's a friendly face to you
Tell me what, you tell me what, you tell me what you gonna do
Cause when it's wrong, it's wrong, dead wrong

Did you sell your soul from sleep cause that ain't right
Did you think your peace would last you through the night
Is it worth the time it takes to say hello, hello, hello
Tell me cause I really, cause I really, cause I got to know

When it's wrong, it's wrong,
When it's wrong, just wrong,
Dead wrong
Dead wrong
Dead wrong
Dead wrong

It's easy just too easy to deny
And never be the one to compromise
When everyone's a friendly face to you
Tell me what, you tell me what, you tell me what you gonna do
When it's wrong, it's wrong,
When it's wrong, yeah, it's wrong,
Dead wrong
