

Baby Be Mine

The Parlotones

If I asked you to lay with me
Would you say you are not in the mood?
If I asked you to pray
Would you refuse because my intentions aren't any good?
In a world filled with liars, killers and cheats
Wanting you shouldn't be a crime
I am not asking for much
All that I am saying is
BABY BE MINE

If I asked you to dance
Would you lie and say you don't know how?
If I sent you bad poetry
Would your face crease into a frown?
In a world filled with liars, killer and cheats
Wanting you shouldn't be a crime
BABY BE MINE

I am not asking for miracles
I am not asking for promises of your hand
All that I am saying is give me a chance
If I picked you wild flowers
Would you say you are not that type of girl?
If I stared at your photo for hours
Would I be weird and out of this world?
All that I ask is for a moment with you
BABY BE MINE
BABY BE MINE
BABY BE MINE
