

# Dance

The Parlotones

I hear the drama  
I hear the drama  
Break, break, break, in the silence

I feel the world  
I feel the world  
Is addicted to violence

You better dance  
You better dance  
Like nobody's watching you

You better sing  
You better sing  
Like no one is listening

CHORUS: (2x)  
Dance, dance, dance  
Like nobody's watching you  
nobody's watching you

I feel the world  
I feel the world  
Is addicted to hate and war

You better love  
You better love  
Like you've never been hurt before

Dance like Fred Astaire  
Dance like you don't care

CHORUS: (2x)

(Instrumental Verse)

CHORUS: (2x)

And I don't know  
Exactly where we go  
But what I do know  
Is that I've only got one chance

And I don't believe  
In what I cannot see  
But what I do know  
Is that I've only got this dance

I hear the silence...
