

Freakshow

The Parlotones

They're calling me a freak show
I'm kinda freaking out
Cause all the freaks is staring
And staring by my side and I
I kinda feel it home
They calling me a sell out
Selling out all my fears
To a part and cheer who I wanna
Why you wanna pick a fight?
When I am the one
With the microphone, mhm, whoa

They're calling me insecure, sensitive and all
The clothes with the...
All I wanna share, all I wanna share I love
All I wanna share is love, mhm, whoa, mhm, whoa
