The Parlotones

Push Me To The Floor lyrics

And don't stand next to me
And think it comes so easy
I am not your toy
Cause you think love is something
You just a tool
To make it allright

Push me to the floor
Don't give up until I'm begging you for more
I'll be thinking of the time
I felt inspired

Don't stand next to me
I'll love the smell of extacy
It makes me feel inspired
Cause you think love is like a
Sunrise up against you somehow
you are always right

Push me to the floor
Don't give up until I'm begging you for more
I'll be thinking of the time
I felt inspired

Push me to the floor
Make me think that you're the one that I adore
Till the morning we will be as if
We're meant to be

And your word is worth nothing
when it's at someone elses cost
And fortunes not appriciated
When the sweet stuff comes to fast

Push me to the floor
Don't give up until I'm begging you for more
I'll be thinking of the time
I felt inspired

Push me to the floor
Make me think that you're the one that I adore
Till the morning we will be as if
We're meant to be

Push me to the floor

I'll be thinking of the time
I felt inspired
