

## Celebrity

## The Partisans

Spreading peace and love  
In the minefields of Angola  
A photo opportunity  
Celebrity has sold ya  
They made front page news again  
But they all hate the Paparazzi lens

Hollywood cocaine  
A royal fascination  
Cinematic lives  
Far too much temptation  
10% reduction to the charitable cause  
Designers help stop third world wars

Verci always win  
Benetton don't kill  
Gap never sins  
And we all get to pay the bill

United Nations all  
Waiting for that presidential call  
The next one in  
Watch that jaded popstar grin

Wear another name  
Promote another label  
Donate another dollar  
From the budget on yer table  
Explosive occupations for  
The heroes faking for their cause

Fake it all
