## **Mindless Violence**

## The Partisans

Is there something wrong with the way I dress Or have you big friends you wanna impress Different person when you're pissed Try not to fight but can't resist Can't hurt me I don't bother you Tired off your hands, nothing better to do ??? lying on my face, Fight fight fight your so hard Dr martin boot your ace card Kick kick looks so good who's that lieing in a pool of blood It's mindless violence all you need cos when it comes to make me bleed Really see whats wrong with you, What your doing is nothing new What makes you think you're so great, When it comes to deciding peoples fate When in a gang is always right Has gotta fight and have some fun People like him have got brains of shit People like him shouldn't exist ??? can't get up because I am a stretcher case
