### The Partisans

There's Politicians in the U.S.A. there's politicians in Russia  
The only thing they got in common, and that's the need for power  
But we don't care what happens on the final day  
And we don't care if there is no future  
All we wanna do is join the likes of you  
And form the Partisans to gain some real power  
You shouldn't work for their rules or rules enjoy the dole it's  
more fun  
Just cause some problems and enjoy yourselves  
That way you'll never need no guns  
We are the Partisans were fighting for our rights fighting for  
our freedom  
We are The Partisans oppose all wars we are the Partisans so jo  
in our cause  
You are just the kids and your off the streets  
You are all the same so face the facts  
Just cause some problems and enjoy yourself Until you make an a  
ttack.
