

# Girl You Make My Day

The Partridge Family

I can't start my day, girl, without thinkin' about ya  
I wake up in the mornin', and you're there on my mind  
I've been dreamin' about ya

You start feelings runnin' through my head that need no explanation  
And the sweetness of your smile has captured my heart  
It's such a crazy sensation

[Chorus]

Whoa, girl, you make my day  
You're the smile on my face, you're the look in my eyes  
You're every breath that I take  
Whoa, girl, you make my day  
And I love you so much; I'll prove it in a thousand ways

You don't know what it does to my heart when you're walkin' beside me  
I feel like a man who could conquer the world, girl  
When you're there to guide me  
You're the sunshine that I hold deep inside me when I'm cold  
You're my tears and my laughter

You're a thousand different girls that I've loved in different worlds  
You're my forever and after

[Chorus x 3]
