

I Really Want To Know You

The Partridge Family

[INTRO:]

I want to look behind the mirror of your eyes
And see the secret world, the world your words disguise
The birthplace of your sighs.
I want to know the pain of all your silent fears
And when you speak of them, the ones that no one hears
I want to taste your tears.

[CHORUS:]

I really want to know you
I really want to know you

[BREAK: (instrumental verse)]

[CHORUS:]

I want to share the dreams you've never shared before
To stand inside your soul, to unlock every door
And darling, even more.
