

I Think I Love You

The Partridge Family

Ba ba ba ba ba ba ba
Ba ba ba ba ba ba baaa

I'm sleeping
And right in the middle of a good dream
Like all at once I wake up
From something that keeps
Knocking at my brain
Before I go insane
I hold my pillow to my head
And spring up in my bed
Screaming out the words I dread

I think I love you
(I think I love you)

This morning
I woke up with this feeling
I didn't know how to deal with
And so I just decided to myself
I'd hide it to myself
And never talk about it
And did not I go and shout it
When you walked into the room

I think I love you
(I think I love you)

I think I love you
So what am I so afraid of?
I'm afraid I'm not sure of
A love there's no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
That I've never felt this way

(instrumental break)

I don't know what I'm up against
I don't know what its all about
I got so much to think about

Heyyyyyyy
I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
I've never felt this way

Belive me
You really don't have to worry
I only want to make you happy
And if you say "hey go away" I will

But I think better still
I better stay around and love you
Do you think I have a case
Let me ask you to your face

Do you think you love me?
I think I love you
I think I love you
(I think I love you)
I think I love you
(I think I love you)
I think I love you
(I think I love you)
I think I love you
(I think I love you)
