

It's All In Your Mind

The Partridge Family

You can be what you feel; life is a ferris wheel, come take a ride

It's on the inside where you will find it's all in your mind

Listen, listen

You take a friend of mine, he was sad all the time then he got smart

He opened his mind, and it helped him to find it's all in your mind

It's all in your mind, it's all in your mind

Listen, listen

It doesn't matter at all who you are or what you need

Just take a look inside, I'm sure you'll find it's there in your mind

Baby, it's all in your mind, baby, it's all in your mind

Who needs money in a land of milk and honey?

I'll tell you one more time

You'll find it in your mind

Baby, it's all in your mind

Listen, listen

You can be what you feel

Life isn't really real

It's up or down

Get your feet on the ground and maybe

You'll find it's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind

It's all in your mind
