

Love Is All That I Ever Needed

The Partridge Family

What did I want, well I just didn't know
So each day I kept picking up and moving on from town to town
How did it feel, well it felt so unreal
To not know where you're gonna be or what you'll see, what will
I be
Then, just when I least expect it, well there she was and I found me
And one night of holding you told me what I had to see
Made me want more than me

Love is all that I ever needed
It's time I opened up to greet it
And since she looked at me, that's all it took to see
Love is all that I needed

Having you here and holding you near
Well, there's nothing that I'd rather do than be with you, I like what you do
I know what I've seen and there's no in-between
With you I've got a home and there's no moving on from town to town
Oh, just when I least expect it, well there she was and I found me
And one night of holding you showed me what I had to see
Made me want more than me

Love is all that I ever needed
It's time I opened up to greet it
And since she looked at me, that's all it took to see
Love is all that I needed

Love is all that I ever needed
It's time I opened up to greet it
And since she looked at me, that's all it took to see
Love is all that I needed
