

## My Christmas Card To You

The Partridge Family

[Chorus]

To you and all your family, your neighbors and your friends  
May all your days be happy with a joy that never ends  
May peace and love surround you  
At Christmas time and all the whole year through

I'm looking out my window at the softly falling snow  
That dances in the early morning light  
I got my guitar right before me, strummin' a beautiful sound  
Watching it a-comin' down, all around  
On the fields, and the farms, and the road to town

And I'm thinkin' up a letter that I'm writin' in my head  
A Christmas card to all the folks I love  
Instead of lettin' the postman bring it  
I decided I'd rather sing it  
Especially for you, for you

[Chorus]

May your life be filled with sunshine, may your every wish come  
true  
May you find the sweet fulfillment in everything you do  
May your days be blessed with the very, very best  
Both now and the whole year through  
It says so in my Christmas card to

[Chorus]

At Christmas time and all the whole year through
