

Rainmaker

The Partridge Family

She came with the rain,
Scarlet ribbon in her hair
I never even knew her name,
She just slipped away from me to who knows where
And if it weren't for the rain,
She might still be there

Rainmaker, does she have to be free?
I guess you know she took the best part of me
Rainmaker, I'll wait endlessly
If there's a way to make her come back to me
Doo, doo...

Love was only yesterday and now tomorrow waits in vain
She never promised me she'd stay,
So a stranger to my love she will remain
And I know more than me she loved the rain

Rainmaker, does she have to be free?
I guess you know she took the best part of me
Rainmaker, I'll wait endlessly
If there's a way to make her come back to me
Doo, doo...

Yes, I know now more than me she loved the rain, she loved the rain

Rainmaker, does she have to be free?
I guess you know she took the best part of me
Rainmaker, I'll wait endlessly
If there's a way to make her come back to me
Doo, doo...
