

In My Own Dream

The Paul Butterfield Blues Band

Lead vocal

I didn't know.

I was such a fool.

And it took me a long time,

Just to find out,

That my head,

Is upside down.

What I was standing on,

You know, it wasn't too solid ground, oh no.

To satisfy,

What I thought I'd be,

be)

I kept on living, ooo, yeah,

In my own dreams.

And everyday,

I grew blinder.

Thought I was so strong,

I didn't need nobody's help.

Oh, the strongest river,

Can't flow up hill, wo, no.

To satisfy,

h)

What I thought I'd be, oo, yeah

be)

I kept on living,

In my own dream.

You know, the tides of love, yeah

Are so strong.

You know, it carried me back

And showed me my wrong, yeah, ooo.

To satisfy (Chorus: To satisfy)

Yeah, what I thought I'd be

d be)

I kept on living, oo, yeah

In my own dream.

Fading:

Now, everyday

I grew blinder

Thought I was strong

I didn't need nobody.

But the strongest river

Can't flow uphill, oh no

To satisfy, ooo

What I thought I'd be

d be)
