

# Mystery Train

The Paul Butterfield Blues Band

Train arrive, it's sixteen coaches long  
Train arrive, it's sixteen coaches long  
Well, that long black train take my baby and gone

Mystery train, rollin' down the track  
Mystery train, rollin' down the track  
Well, it took my baby, people it won't be coming back

Train, train, rollin' 'round the bend  
Train, train, rollin' 'round the bend  
Well, it took my baby, people it won't be back again

Train arrive, it's sixteen coaches long  
Train arrive, it's sixteen coaches long  
Well, that long black train take my baby and gone
