

# One More Heartache

The Paul Butterfield Blues Band

One more heartache, baby, I can't take it, now  
My heart is carryin' such a heavy load  
One more ache would break it  
Just like the camel with the heavy back, yeah  
One last straw, they say broke the camel's back

Oh baby, oh, I can't take it, babe  
I can't stand it, now

One more heartache, it would turn me right around  
First you build my hopes up high then you let me down  
Like the house's built from toothpicks stacked upon the kitchen  
table  
One last toothpick tore it down, the foundation was not able

Oh, baby, oh, I can't take it, babe  
I can't stand it, now, oh

One more heartache

One more heartache, baby, I can't take it, now  
My heart is carryin' such a heavy load  
One more ache would break it  
Just like the camel with the heavy back, yeah  
One last straw, they say broke the camel's back

Oh baby, oh, I can't take it, babe  
I can't stand it, now  
One more heartache, baby  
One more, now, heartache, baby

Without your love, I [Incomprehensible] baby  
Now, I can't stand it no longer  
Oh, baby, ooh, come on  
Won't you listen to my plea?  
Oh please, baby, oh please, baby
